

## ADOPT A CRITTER at the Wildcat Glades Conservation & Audubon Center!

Symbolically adopting an animal at the Audubon Center is a great way show a concern and commitment for native species of Missouri. Did you know that it annually costs over \$150 to feed the speckled Kingsnake?

As a Critter friend, you can help provide

- **habitat enrichment**
- **food and medical care**

for animals on exhibit and those who star in educational programs.

Anyone can participate! We welcome school classes, Scout troops, clubs, and community organizations to our parent pool!

Annual adoption packages make unique gifts for birthdays, holidays, and other special occasions.

Check out the adoptees listed inside, then fill out the attached form and mail to the Wildcat Glades Conservation & Audubon Center.
